25X1D

1. This responds to your memorandum of 29 June 1960 in which you request reports published by CIA/ORA that may be useful in the evaluation of Soviet Bloc [REDACTED]

25X1D

25X1D

2. To the extent of its availability, information of the type described in paragraphs 2a, b, and d of your memorandum has been included in reports already published by CIA/ORA and will continue to be included in future reports. Those reports already published and those to be published are listed in the attachment.

3. Information as described in paragraph 2d has not been included in CIA/ORA reports because such details have not been available and because the manpower for such detailed analysis is limited. Information as described in paragraph 2e is beyond the technical competence of CIA/ORA.

4. Reports listed in the attachment which are not now available at 481 may be ordered through appropriate channels.

5. CIA/ORA will be happy to discuss with 481 any future needs for similar information as well as any future requirements they may have.
